

Internship Offer

The **Arnold Bergstraesser Institute in Freiburg** offers internships to students in the Social Sciences to give them the opportunity to gain an in-depth insight into the work of the Institute.

The duration of the internship is usually either full-time 6 to 8 working weeks or part-time 10 to 12 half working weeks, according to the preference of the intern. In individual cases, it can also be extended to up to 3 months after prior agreement. The ABI offers internships all around the year.

Social diversity is important to us; we welcome applications from people with diverse backgrounds. Unfortunately, internships are not remunerated.
